1 Disclaimer

1.1 This document has been prepared based on available information in department and other publicly available documents which Department believes to be reliable.

1.2. The information contained in this Expression of Interest document (the "EOI") or subsequently provided to Bidder(s), whether verbally or in documentary or any other form, by or on behalf of Department or any of their employees or advisors, is provided to Bidder(s) on the terms and conditions set out in this EOI and such other terms and conditions subject to which such information is provided.

1.3. This EOI is not an agreement and is neither an offer by the Authority to the prospective Bidders or any other person. While this document has been prepared in good faith, no representation or warranty, express or implied, is or will be made, and no responsibility or liability will be accepted by Department or any of their employees, advisors or agents as to or in relation to the accuracy or completeness of this document and any liability thereof is hereby expressly disclaimed. Interested Parties may carry out their own study/ analysis/ investigation as required before submitting their proposals.

1.4. The information given is not an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. The Authority, its employees and advisors make no representation or warranty and shall have no liability to any person, including any Bidder or Bidder, under any law, statute, rules or regulations or principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this EOI or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the EOI and any assessment, assumption, statement or information contained therein or deemed to form part of this EOI or arising in any way with qualification of Bidders for participation in the EOI Bidding Process.

1.5. The Authority also accepts no liability of any nature whether resulting from negligence or otherwise howsoever caused arising from belief of any Bidder upon the statements contained in this EOI.

1.6. This document does not constitute an offer or invitation, or solicitation of an offer, nor does this document or anything contained herein, shall form a basis of any contract or commitment whatsoever. The Department may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information in this EOI document.

2 Introduction

Maharashtra State Excise Department (MSED) is responsible for collection of excise revenue and enforcement of the Excise Acts & Rules in the state to regulate the manufacture, transport, sale, import and export of liquor and other intoxicating substances.

The major objectives of the MSED are:

1. Revenue collection on human consumable liquors.
2. Regulation and control of excisable articles.
3. Eradication of illicit distillation, transportation, possession, and sale of liquor.
4. Prevent sale or smuggling of spurious and duty evaded liquor.

Maharashtra State Excise Department invites sealed Expression of Interest (EOI) from professionally & financially sound and duly registered companies /agencies /organizations which possess capabilities for implementation of AI/ML based CCTV Surveillance system. Through this, the department intends to identify solutions available for implementation and vendors which can undertake any future work regarding this for liquor vending licensee premises under jurisdiction of MSED.

3 Tentative Objectives of the EOI

- The main objective to undertake this project is to restrict entry of non-eligible customers in the liquor vending licensee premises and restriction on serving alcohol post prescribed working hours in the liquor vending licensee premises.
- So, to cater this, MSED intends to implement an AI/ML based CCTV solution which will determine/tell the age of person entering in the liquor vending licensee premises and in case of any non-eligible customer (age-wise) entering the restaurant it will trigger an alert which will be then sent to the respective premise's Manager and designated Excise officials (concerned Area Excise officers) via an app/system. The solution should also trigger an alert if a liquor is getting served at a liquor vending licensed premises post prescribed working hours. These alerts will be then sent to the respective premise's Manager and designated Excise officials (concerned Area Excise officers) via an app/system.
- The system should have dashboard and mobile app for displaying real time alarms to the aforesaid users.
- The system should have an option given to Excise officials to seek information from Manager (ask query) on any given incident/alert.
- The system should have a reporting feature/dashboard like total alerts in week, actioned alerts, unactioned alerts etc. The system should be secure, fast and integrate with any IP based CCTV cameras.

4 Eligibility Criteria

#	Eligibility Criteria	Supporting documents required
1	<p>Legal Entity</p> <p>- Bidder should be a company registered under the provisions of the Indian Companies Act, 1956/2013 or a partnership firm registered under the Indian Partnership Act, 1936 or the Limited Liability Partnerships Act, 2008</p> <p>-Bidder should have valid GST registration and PAN</p>	<ul style="list-style-type: none"> • Certificates of incorporation and • Copy of valid Registration Certificates and • PAN and GST certificate
